Quickly Transform Face-to-Face Meetings to Hybrid / Virtual Events

IT'S AS EASY AS FLIPPING A SWITCH

Use EVA's virtual conference platform to create a microsite for your conference. Create a branded online experience that can easily toggle between in-person and virtual events. Start with your in-person microsite. If you need to add a virtual component, EVA's team will work with you to add all the joining links for your sessions, incorporate networking rooms, and activate virtual engagement tools.

Contact EVA's team today to find out how to seamlessly flip to virtual.
