PARTNER WITH EVA TODAY

▶ Drive Revenue

EVA offers a partner program that rewards you for referring clients. You decide whether to keep the commissions as additional revenue or as a pass-through discount to your client as a value-add. EVA works closely with you to ensure your clients have best-in-class event technology for registration and virtual conferences.

▶ Content Collaboration

As a thought leader in the meeting industry, EVA's team can be found speaking at conferences, meetings, and events for MPI, PCMA, and ASAE. Our team especially loves collaborating with like-minded partners who share how associations and nonprofits can use technology to be innovative.

▶ White Label Services

Host EVA's technology platform as you own through our white label services. We offer co-branded and white-labeled marketing materials to promote how you and your company can provide best-in-class technology. If you currently offer registration and virtual conference services to clients and would like to showcase the technology as yours, you can white label EVA.

EVA's Events Management Platform

Host all your in-person, hybrid and virtual events and meetings under one portal. Transform your attendees' online experience with curated registration paths, intuitive navigation, and interactive engagement features that include AI-powered matchmaking, smart appointment setting, built-in gamification, real-time video/chat, networking roundtables, and more. Leverage the power of event data and analytics to help you build a strategic meetings program and deliver an enhanced attendee experience every time.
