Encourage networking, discussion & innovation

Prepare for your next conference with nextgen engagement tools. EVA brings you a complete set of attendee engagement tools that are designed to deliver value to members, increase engagement, enable attendees to grow their network, and participate more with the association. Encourage connections and extend conversations that go beyond the conference "walls."

AVAILABLE FOR IN-PERSON, HYBRID OR VIRTUAL MEETINGS

▶ **AI-Powered Matchmaking**

EVA's AI-enabled matchmaking algorithm allows attendees/exhibitors to seamlessly connect with attendees.

▶ **Smart Appointment Setting**

Enable participants to mutually set appointments based on when organizers allow for networking and on availability.

▶ **Interactive Gamification**

Tap into your attendees' competitive spirit. Leverage gaming principles to encourage attendees to explore all that your meeting has to offer.

▶ **Interactive 1:1 Video and Text Chat**

Facilitate real-time 1:1 video and text chat for attendees to connect and collaborate hassle-free.

▶ **Intimate Virtual Round Tables & Networking Rooms**

Build an organic online space for attendees with shared interests and encourage exploration.
